Dear Ms. Forsell,

On behalf of the staff of the American Cancer Society's Richard M. Schulze Family Foundation Hope Lodge, we would like to express a heartfelt thank you for your recent donation of 37 cotton knit hats. We truly appreciate your generosity.

As you may already be aware, the Tampa Hope Lodge is designed to offer housing and support free of charge to any cancer patient who travels to the Tampa Bay area for treatment. Our goal is to help lessen some of the financial and emotional burdens associated with a cancer diagnosis. Your gift will assist us in achieving this goal. Please know that it is only through monetary donations such as yours that we have been able to provide this much needed service. Since opening our doors more than 14 years ago, we have provided over 151,000 nights of free lodging, and have served a diverse group of cancer patients. We have provided lodging for patients and caregivers coming from almost every county in Florida, 34 different states, and 14 different countries.

The American Cancer Society is a nationwide, community based voluntary health organization dedicated to eliminating cancer as a major health problem by preventing cancer, saving lives, and diminishing suffering from cancer through research, education, advocacy, and service. It was 100 years ago that the American Cancer Society started this fight of a lifetime. Thanks to the support from people like you, the American Cancer Society has led the way in the fight to end cancer – from discovering lifesaving cancer breakthroughs to helping improve the quality of life for people facing cancer. To obtain more information about the American Cancer Society, including information regarding current programs and volunteer opportunities, please contact us at 1-800-ACS-2345 or visit us at www.cancer.org or www.cancer.org/fight.

Once again, thank you for considering the American Cancer Society's Tampa Hope Lodge worthy of your financial support.

Sincerely,

Barbara Twible
